SPIRITUAL LIFE . . . Reflect Christ's Glory

ACTIVITIES . . . Reflect Christ's Joy

ADMINISTRATION and FACULTY . . . Reflect Christ's Love

CLASSES . . . Reflect Christ's Excellence

As we reflect over the past years at ICS, many people have helped make our school very wonderful. There is however, one special teacher who has given of herself so generously as a friend, sponsor and an instructor. Her love and concern for students and her dedication and commitment to the Lord truly have been seen as Christ has reflected His spirit through her.

It is with great honor that we dedicate the 1986 yearbook to you Mrs. Rhoads.

WE LOVE YOU,
The 1986 Eagle Staff

But we Christians have no veil over our faces; we can be mirrors that brightly reflect the glory of the Lord. And as the Spirit of the Lord works within us, we become more and more like Him.

II Corinthians 3:18

"Mirror, mirror on the wall, who's the fairest of them all?" How many times have you read that statement? It seems to be spoken as if the person speaking wants to change his appearance. However, a mirror cannot change one's appearance, it only reflects what is before it.

It is our goal at I.C.S. to reflect the image of Jesus Christ, but the only way to reflect Him is to have Him in our lives. We are to "brightly reflect the glory of the Lord" so, all those around us can see Him living in us.

Sometimes a reflected image can become cloudy or out of focus. The same is true spiritually. Our reflections of Christ can be clouded by sin, but as Jesus Christ cleanses us and we begin to grow "more and more like Him", the image becomes more distinct.

We hope that as we look back on the activities of this past school year, we can see how each student and teacher reflected Jesus Christ in his life. Let us strive to make the reflection clearer by letting Christ fill every area of our lives.

The 1985-'86 school year has come to a close and we complete another chapter in the History Book of Independence Christian School. Now the time has come to reflect on the past and the things that were. This book is a portrayal of how we have progressed in our education, friendship, and in our relationship with the Lord.

We hope that you will enjoy the memories that we share and that you will see Jesus Christ reflected.

As seniors, we look back on the '85-'86 school year. We have strived to reflect Christ through us in three areas. The first has been in the area of unity among our class members. Second has been the example we have set forth to our school. Third, and most important, has been the reflection of the love of christ in our lives throughout our senior year.

This year we have sought to work together as one body, heading for the same goal- a successful senior year and senior trip! Each of us put forth much work and effort into fund raisers. The load was made easy because of our joint efforts.

In reflecting back we see things that we could have done differently, yet there are things we would not have changed for all the world. We pray that our unity, Christ-like example and reflection of God's love will be followed long after we are gone. As we look towards the future we entrust our lives in God's hands. We know that success, peace, and joy can only be found when yielding the rest of our lives to His ways. We look forward to seeing His direction and plans in each of our lives.

Thank you, Lord, for allowing yourself to be reflected through our lives.

Would you look at that form?

What a season! Reflecting upon the 1985-86 basketball season, it is easy to see that this year's team worked together. Unity was the key.

The team consisted of two seniors, two juniors, and six sophomores. It was a young, but well-experienced team.

As the season progressed, they improved greatly. Not only did they progress in skills, but they grew spiritually as well. Christ was examplified throughout the season as the boys portrayed Christian character on and off the court.

The Junior High girls basketball team finished their season with a commendable record of 6-3. They finished second place in the Blue Ridge Invitational Tournament. The co-captains, Paige Harper and Debbie Adolphsen, were great leaders for the team. Christine Arnold was the high scorer with 73 points. Paige Harper came in second with 43 points.

When asked about the season, Coach Mrs. Looy said, "My first year of coaching a team has really paid off. I have been blessed with twelve exceptional athletes, and I feel that if these girls stick together through their Varsity years they can conquer any team."

Girls Varsity Basketball

As we reflect on the 85-86 Varsity Girls season the word "grow" stands out. It was Coach Beaver's desire that the girls not only grow to be better basketball players, but to grow spiritually. His desire for them was to be a unified team, playing for the Lord's favor and glory. As they attained these pre-season goals there is no question that the season was a successful one.

As they were successful, it was exciting to see the improvement made in the record of wins and losses over last year. Coach Beaver is very optimistic about the future. "With the excellent group of girls coming up from the Jr. High team and with all varsity players returning, but one, the future looks bright", says Coach Beaver.

The "I" award was given to the player who improved most over the season. The "C" award was given to the player with the best Christian character. The "S" award was given to the most valuable player.

During a basketball trip to Joplin, coaches from around the state were given the opportunity to nominate players for an all-conference team. Two athletes from ICS received that great honor Mike Yelton. Mike transferred from Hannibal, and was given an award for his athletic performance in Hannibal.

The 1985-86 athletic banquet was used to catapolt our ICS athletic program onto a higher plain for the '86-'87 school year. Plans are being made at the present time to add a Booster Club and additional sporting events at every level.

The '85-'86 Varsity cheerleading squad went through many exciting changes, and helped to build school spirit this year. To start off the season, Mrs. Rhoads, Varsity cheerleading sponsor, took the girls to camp at Wayland Baptist University in Plainview, Texas, where they learned many new skills that were valuable to them.

In October, five yell leaders were added to the squad. They assisted the cheerleaders in stunts. The cheerleaders were Dana Barbour, Tara Clay, Kristen Freeland, Michelle Mitchell, Rhonda Rhoads, Patty Anderson and Michelle Harrison. The yell leaders were Scott Kilbourne, Chris Mosley, Miles Perry, Mike Richee, and Kevin Stallings.

The cheerleaders really boosted school spirit this year by having many pep rallies in which the student body participated. They also did many spectacular pyramids. The girls worked long hard hours practicing, perfecting, and polishing many pom pom routines and cheers.

They look forward to cheering their teams on next year.

The cheerleaders and yell leaders worked hard to achieve their goal this year, and their participation in pep rallies helped to build team spirit and confidence.

EAGLETS

This year a new spirit squad was added to reflect a unique kind of love for I.C.S. Preschoolers through first-graders corollated gymnastics, hand and feet motions, and big smiles to arouse enthusiasm in our I.C.S. fans.

How adorable it was to see these "little ones" portraying their excitement and school spirit! We love you, Eaglets.

CHAPEL

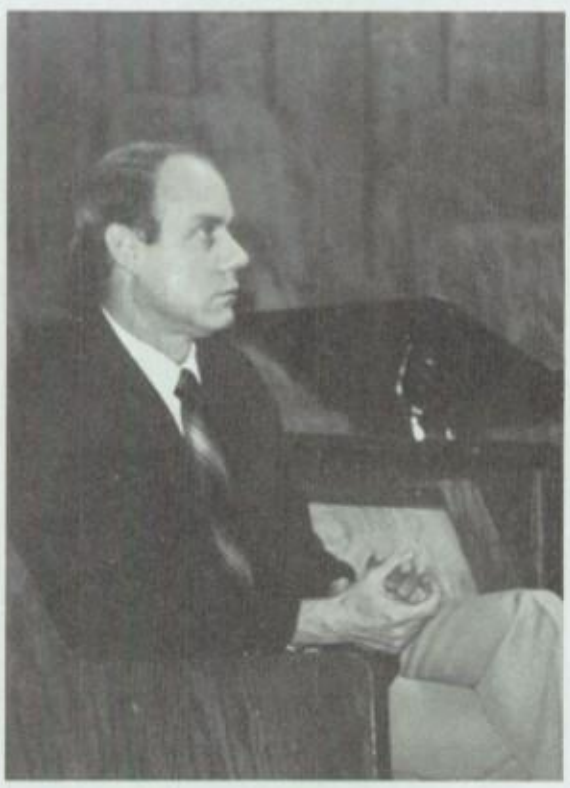

WORSHIP

The chapel assemblies which were held on Tuesdays, were a vital factor in the students' Christian growth. A variety of talented speakers were provided each week, ranging from a World Series catcher, Jim Sundberg, to enjoyable puppeteers. The students were delighted with these programs.

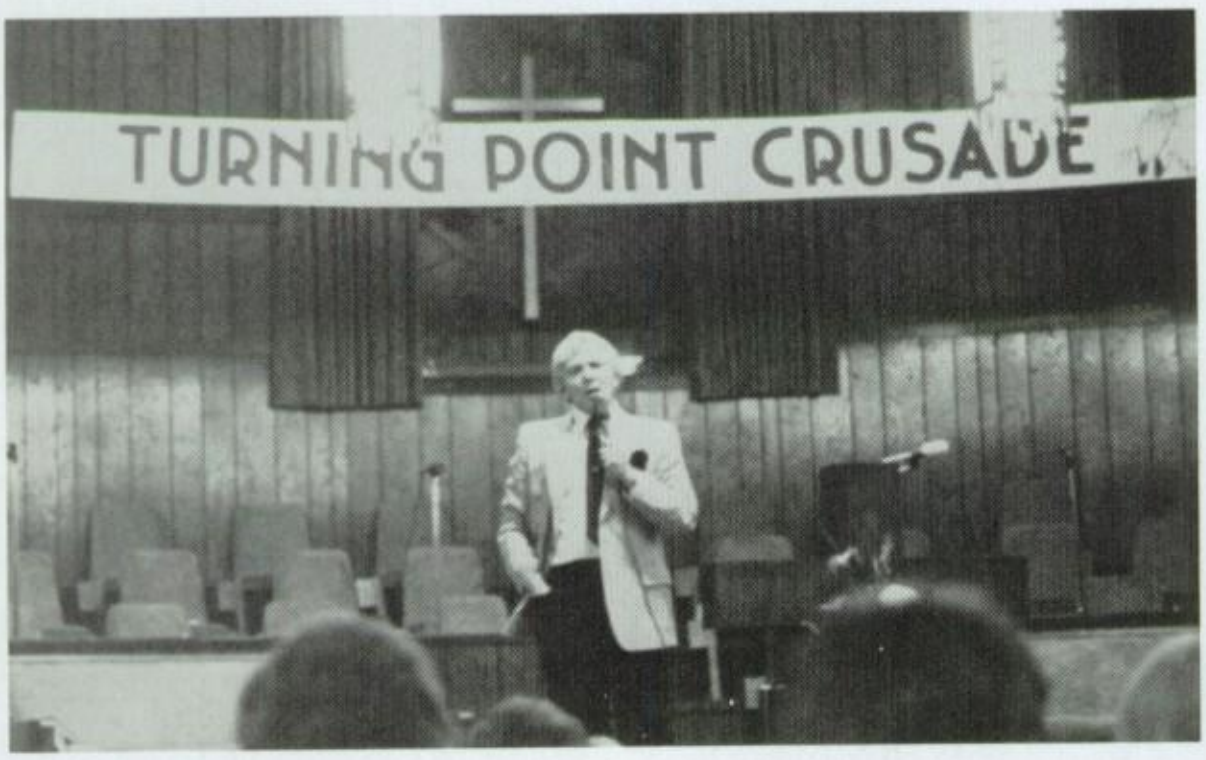

Throughout the year students played a major role in the assemblies. Leading pledges, sharing testimonies, and singing music specials reminded the students of the cause that they have to be committed to Christ.

Our new school song, ***We Will Stand,*** *has been an inspiration and a reminder of Jesus' words that we are one in the Spirit.*

REVIVAL

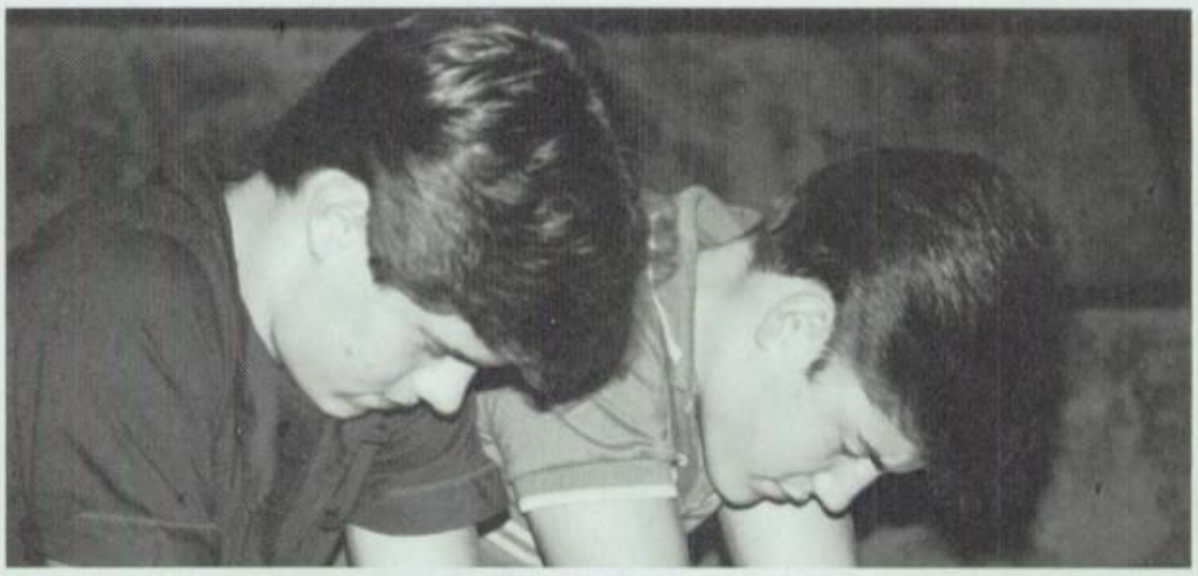

We were excited to see many decisions made to follow Christ. The speaker for the 1985-86 Turning Point Revival was Clide Chiles.

SHEPHERDING

This year a special time was scheduled for the first fifteen minutes of each day. Teachers and students fellowshiped together in a time of devotions and sharing.

Christ was reflected through students as they met together for prayer before school. They prayed for their teachers, classmates, and the administration.

REFLECTIONS ON THE

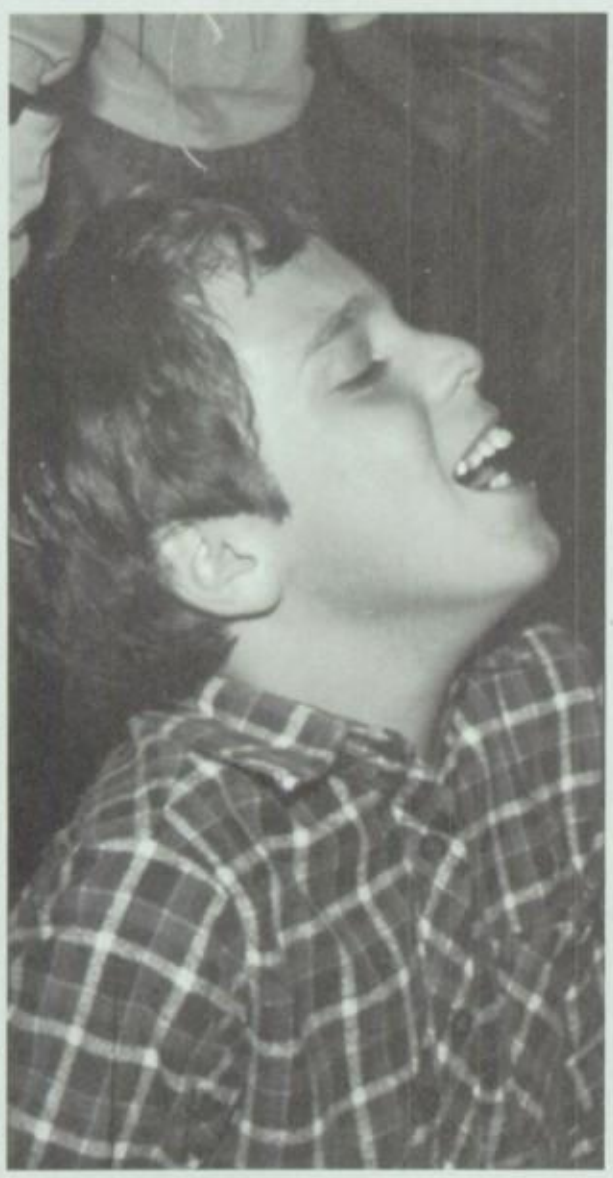

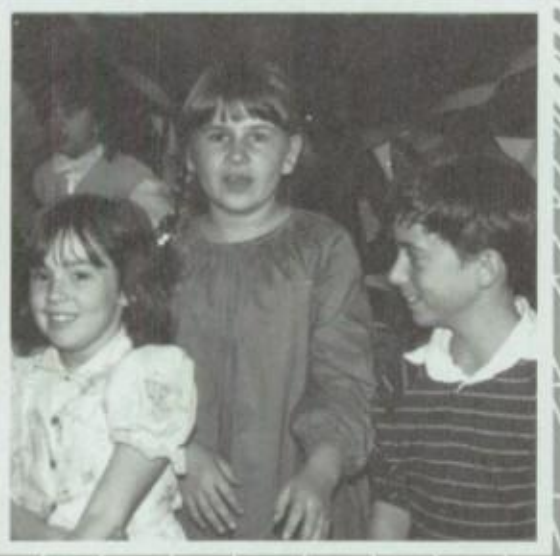

"Time out! Quiz out! Perfect score!" This is a statement all ICS Bible quizzers love to hear. This year the ICS quiz team studied and quizzed from the book of Acts. This activity is just one of the many ways that students at ICS can learn how to reflect a clear image of God in their lives. The team, led by Mrs. Bennett, have chosen as their special verse Acts 3:19 which says, "Repent then and turn to God so that your sins may be wiped out, that times of refreshing may come from the Lord."

While students awaited the Homecoming evening, all were curious as to which girl would be crowned the 1986 Homecoming Queen. The big question was answered and Kristen Freeland was crowned 1986 Homecoming Queen.

OFFICE STAFF

Top-left, Mrs. Alice Gibson
Top-right, Mrs. Cheryl Bartshe
Bottom-left, Mrs. Karen Kelsey
Bottom-right, Mrs. Cathy O'Neal

The office staff is a part of ICS that is often taken for granted. Each lady who works in the office has a special talent to help make the school run as smoothly as possible. Whether it's typing notices to send out, keeping attendance each day, or maintaining the finances of the school, each lady on the office staff puts her all into the job she is performing.

The students and teachers of Independence Christian School wish to express our sincere appreciation to the office staff. Thank you!

Junior High Choir

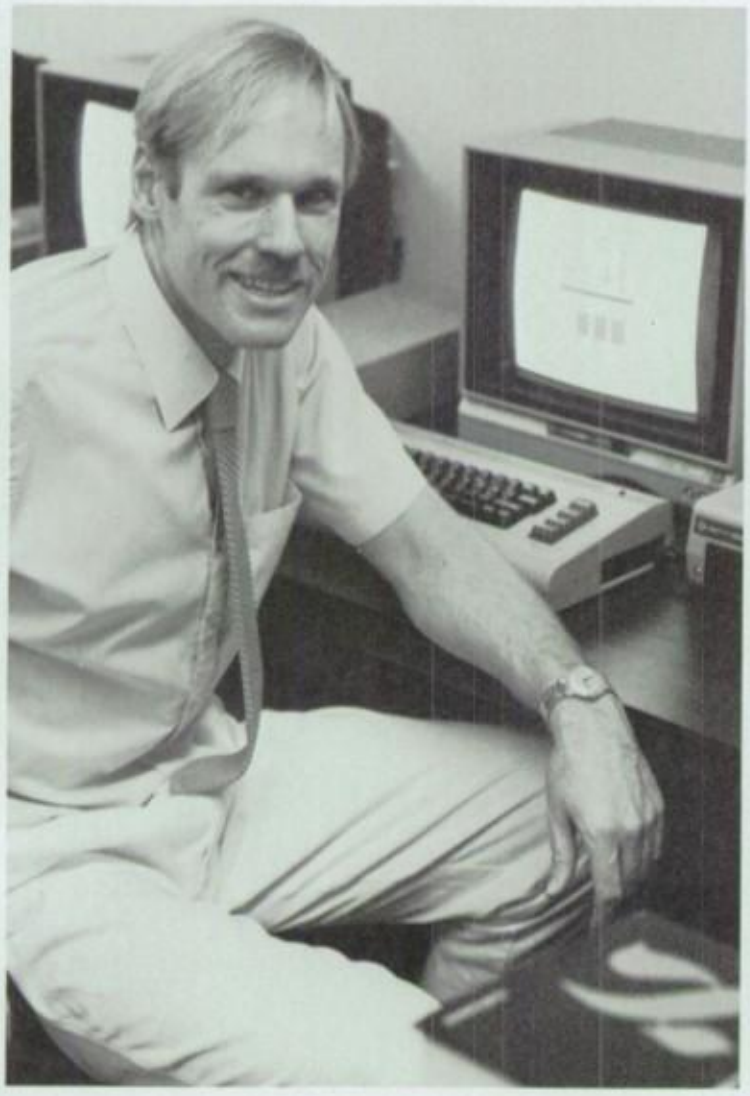

The Junior High Choir was composed of seventh and eighth graders. Together with the High School Choir they presented a Christmas musical, "The Reason For The Season," and a spring musical, "Alleluia." They attended the Blue Ridge Music Festival in April, and sang many times in ICS chapel services. Mrs. Stallings was pleased with the success of this year's Junior High Choir as they learned to praise God through music.

Computers on the Rise

Learning The BASICS of computers was an opportunity that students, of all ages, were able to receive.

With Mr. Looy's assistance, they learned many procedures needed to be familiar with the oncoming computer-age. The most important procedures that were learned were programming, and word processing. Computer class this year was a benefit to all students who took the course!

COMPUTERS ARE A BLAST!

YEARBOOK STAFF

This year, the yearbook staff came together with one purpose in mind, to reflect Christ in all the pages of the yearbook. After months of planning and hard work, the yearbook staff's main goal came through from front cover to back.

Although, much hard work and time was put into compiling the yearbook, there was still time for fun. The yearbook staff had a great time creating the 1986 Eagle.

This year's sophomore class had a very prosperous year. Thanks to their wonderful class sponsor Mr. Miller, the "Super Sophs" as they were called by administration and faculty, raised several hundred dollars to go toward their senior trip. They held many fund raisers, and were lead in every project by their class officers Britt Batchelor, Darien Courtney, and Dana Barbour. The sophomores are looking towards the next two years as being the greatest ever.

MIRACLE ON PECK STREET

March 7, 1984, the FRANK X. WACHTER SCHOOL, 103 Peck Road, Independence, Missouri, was given to Waldo Avenue Baptist Church, by the heirs of Ernestine J. Wachter. In May, 1943, Mrs. Wachter donated two acres of land to School District #29, Jackson County, Missouri. A cornerstone reflects the 1943 date. The School Board erected the building. The FRANK X. WACHTER SCHOOL was closed in 1976.

The events leading up to the conveyance of the school to the church span nearly two years. The same week national news reported the defeat of the "Prayer Amendment" to our constitution, Ann Peterson of KCTV-5, reported a story she titled "Miracle on Peck Street." It aired March 24, 1984. Many people recognized the miracle before its television debut, and it all began with prayer.

April 30, 1982, Preschool and Kindergarten students and teachers stood on the vacated WACHTER SCHOOL ground. With hearts and hands united we asked God to give us the FRANK X. WACHTER SCHOOL, if it was His will. We claimed the school for the Lord Jesus Christ and for Independence Christian School, on the previous day.

Miraculously all currently-living descendants of Ernestine J. Wachter were located, and they all agreed to donate the school to I.C.S. and Waldo Avenue Baptist Church. Mr. Raymond Wachter, son of Ernestine Wachter, expressed his wishes that the school could be used by generations of Independence children to receive a ***religious*** *education. He feels the wishes of his mother when she donated the land in 1943, will now come into "full flower."*

Our I.C.S. Christian Parent Teacher Association donated proceeds of $7,000 from a candy sale toward the renovation of the Wachter School, now known as INDEPENDENCE CHRISTIAN SCHOOL EAST. Classes began August 27, 1984. I.C.S. East ministers to students in Preschool 2 and 3 year old classes, as well as students in Kindergarten 4 and 5.

SCOTT KELSEY

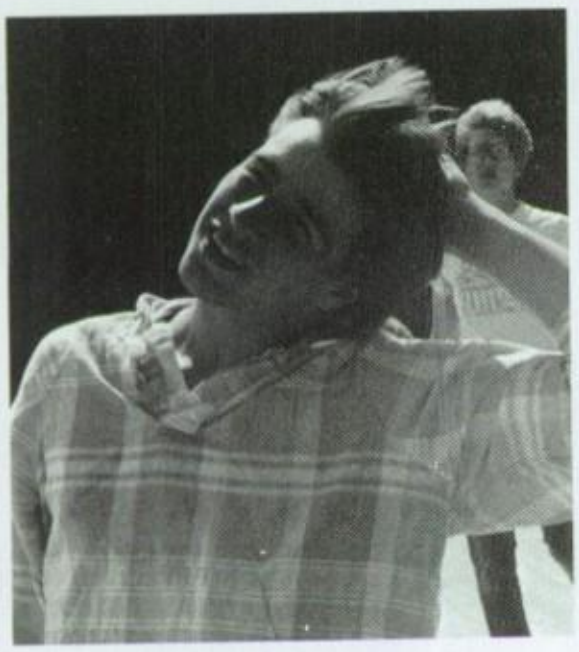

1968 - 1986

Our reflections on one of our close friends were shattered this year by the death of Scott Kelsey.

Scott's life was a mirror of the humor that our Lord must have had. His practical jokes and impish smile were always signs that Scott was "up to something."

He loved children. As a Physical Education aide to the 1st grade classes, the little children were always eager to go to P.E., so that they could play with Scott, and he with them. Who else said "Let the little children come unto me?"

Scott, we loved you, and you loved us. We laughed when you laughed and we cried when the Lord brought you home. But now we pause and say "Well done thy good and faithful servant."

So, as God's servant to teenagers and children we thank you for leaving God's message to us. Thank you for allowing God to speak through you by writing . . .

TEENAGERS

Are you having problems in your life? Do you have questions that no one can seem to answer? If you do, Jesus can change your life and give you the kind of happiness that you have never experienced before!!! In John 10:10 Jesus says, " . . . I am come that they might have life and that they might have it more abundantly."

Are things such as drugs and sex taking control of your life? Are your friends pressuring you into doing things that you really don't want to do?

Jesus Christ can help you conquer any problem that you may face in your life! In Philippians 4:13 Jesus says, "I can do all things through Christ which strengtheneth me." Jesus also promises us in Romans 8:37, "Nay, in all these things we are more than conquerors through Jesus Christ that loved us."

Are you having problems dealing with family troubles such as divorce or separation? If so, Jesus can help you through the problem, and help you do something about it. Jesus knows there's going to be trouble in your life and that is why in Psalm 46:1 Jesus promises us that "God is our ***refuge*** *and* ***strength,*** *a very present help in trouble." In Philippians 4:6, Jesus also said, "Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which passes all understanding, will keep your hearts and your minds in Christ Jesus." Prayer is a very powerful tool if only you take advantage of it.*

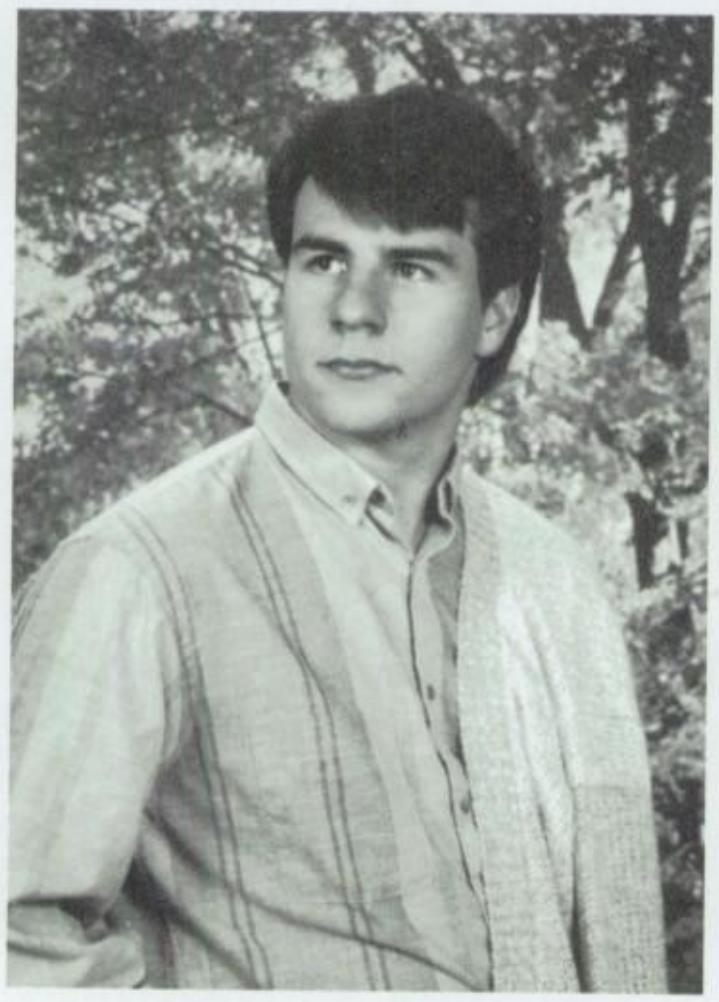

There is no question of whether or not you need Jesus. But accepting Him is your choice. Jesus can change your life, and in every respect make it better. Jesus says in Revelation 3:20, "Behold, I stand at the door and knock; if any man hear my voice, and open the door, I will come in to him." If you want to accept Jesus into your heart, and have Him become the master of your life, pray this prayer:

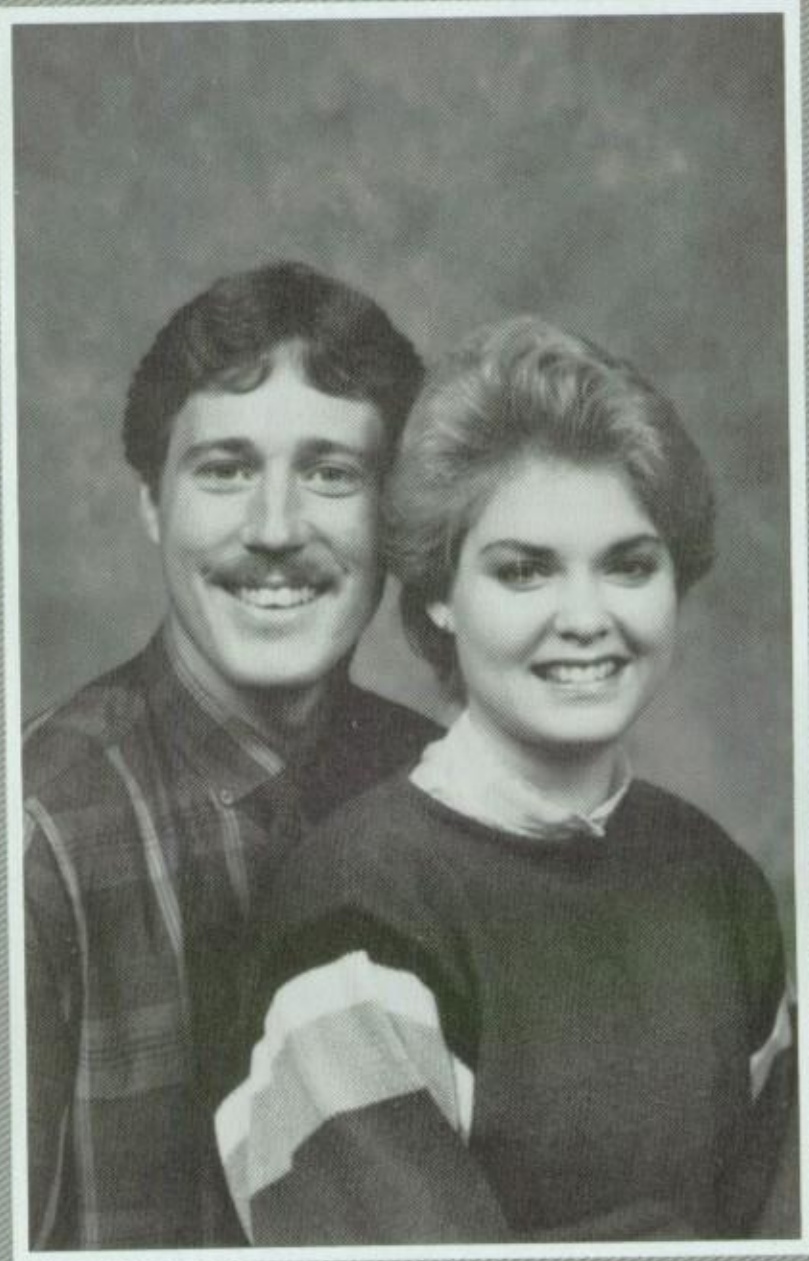

"Jesus, I really need you in my life. I know that I've sinned against you, please forgive me. I know that you died for me. I now dedicate the rest of my life to you. Jesus, I love you! Amen."

Now that you have found true happiness in Jesus, won't you care enough to tell your friends how they too can find true happiness in Jesus.

Colene and I are grateful for the opportunity we have been given to serve here at Independence Christian School. We appreciate Waldo Avenue Baptist Church and the many ministries in which we will be able to involve ourselves. A special thanks goes to the student body. You are the reason for us being here. You've made our 1985-1986 year special.

NATHAN BYERS

1978-1986

"Jesus loves me this I know . . ." This was Nathan's message, that he loved Jesus.

His sweet, glowing smile continually reflected that he also knew Jesus loved him. Nathan cherished being with family and friends and his caring heart portrayed a genuine concern for others.

There was never a school day that passed that he was not eager to be in the midst of any activity. T-Ball, Recess, P.E., and Kaleidoscope were just a few of those activities that were so special to him.

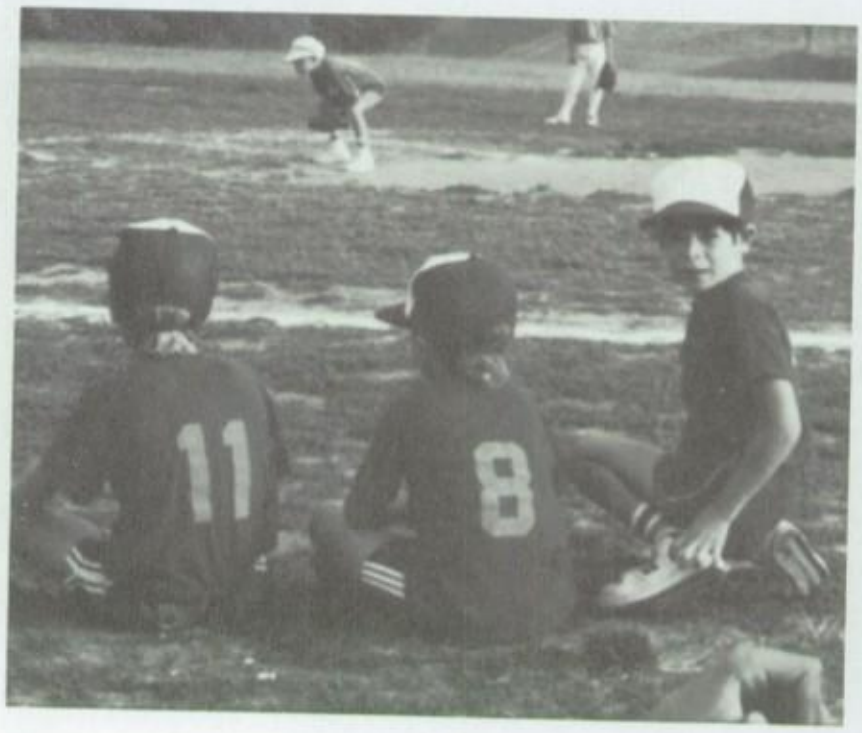

Because of his exceptional qualities, Nathan had the honor of being chosen as the Leukemia mascot for the Leukemia foundation. His teacher Miss Jones, has said, "He would have easily won the 'Mr. Personality' award, for so many friends and teachers were drawn to his vivacious, personable character.

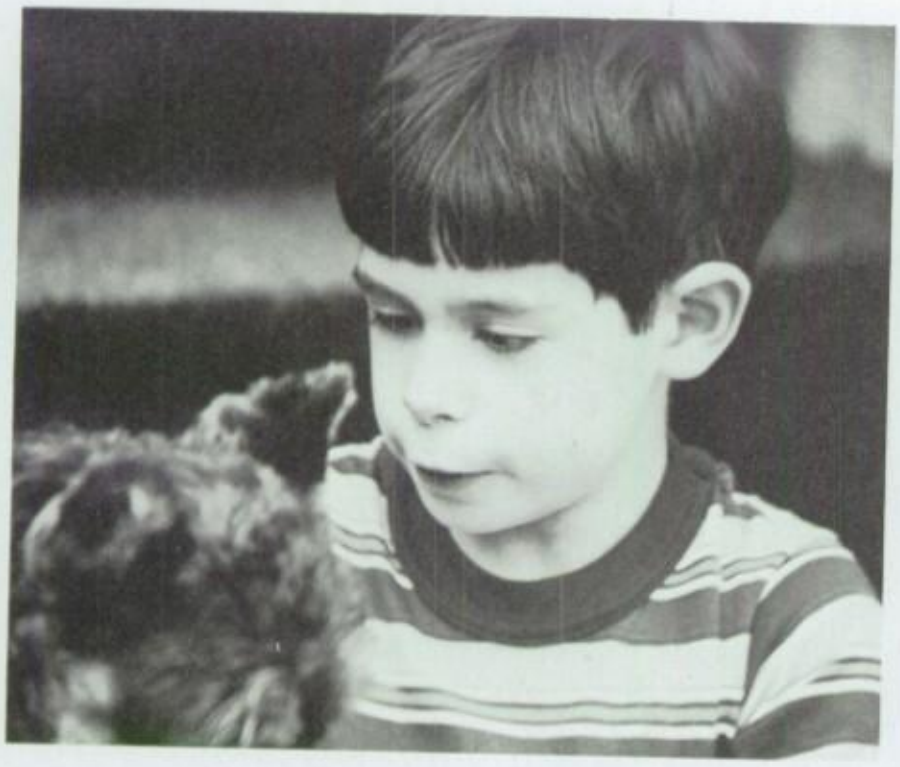

Through his illness, he never lost sight of Jesus' love and care. As he would sing his favorite song, he must have realized, . . . "Little ones to Him belong, they are weak, but He is strong." And now, we glory in the fact that he does belong to Jesus, and he is face to face with our Lord.

Nathan, we look forward to the day that we can share with you that ultimate joy with Him.

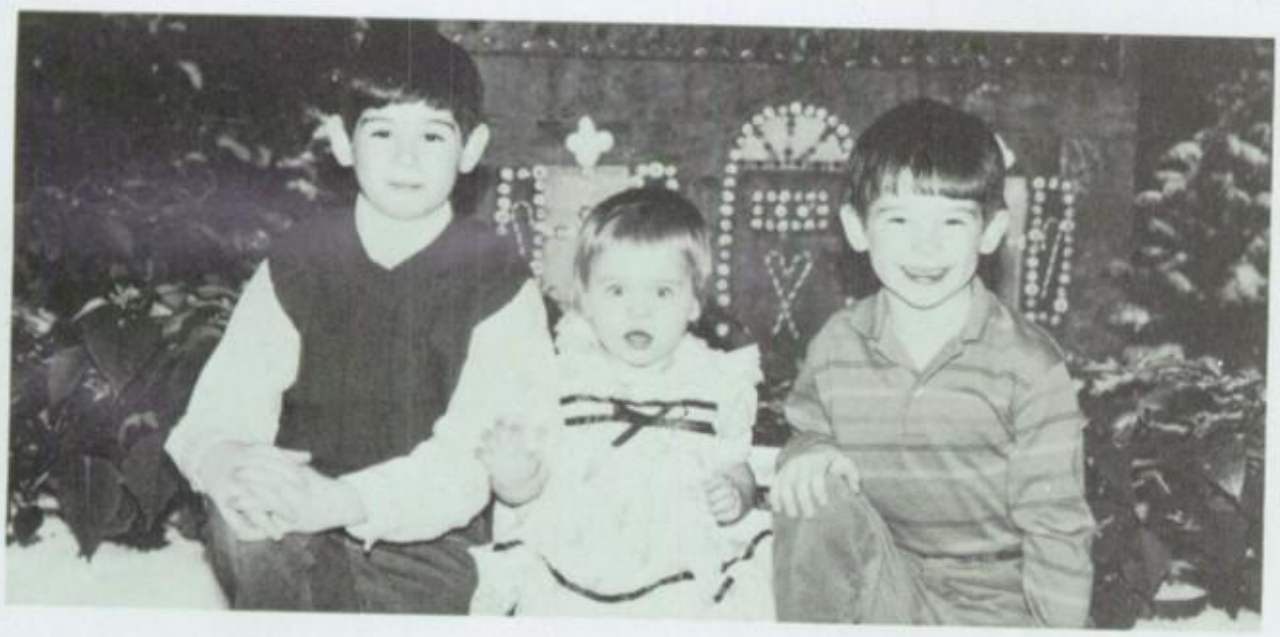

Thank you Lord, for giving to us seven very wonderful years with this precious little life.

As you look back on this past year, we hope that you have seen Christ reflected in every area of education at I.C.S. We hope that you have seen the love of Jesus shining forth from our lives.

Throughout this year, God has done a great deal in our school in order to make us a clearer reflection of himself. We are to mirror Him and He has brought our image into a sharper focus. We praise the Lord for that work in us.

Much work has gone into this yearbook and we would like to say thank you to some very special people. First of all, we say thank you to Mrs. Beaver, our yearbook advisor. We appreciated her help and advice. We thank Mr. Jim Reed, the Walsworth Publishing representative. We would also like to thank Don Gladson from Masterpiece Photography, and Treasured Memories for their help with pictures.

We hope and pray that as you follow Christ, that you too, will reflect Christ and His love in your life.

Sincerely,

Paul Wooderson - Editor
Sheryl Todd - Assistant Editor
and the 1986 EAGLE Staff
